Proceedings of ~~the Madras~~ Government, Pension Department,
~~4th February~~ 1869.

Read the following letter from the Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 2nd November 1868, No. 276.

In reference to the Order of Government, No. 471, dated 15th October 1868, Financial Department, approving of certain reductions in the Mint Establishment, I have the honor to report that I have dispensed with all the servants who fall within the reduction from the 31st ultimo, with the exception of two Accountants in the Office who are familiar with the old records, and whose prolonged services are absolutely necessary, for a few days, to assist me in tracing each man's services since first entertainment. This duty has been already completed in the cases of ten men who are entitled to pension, and for whom I now submit applications in the prescribed form; and I respectfully beg the particular attention of Government to my remarks on the character and services of each individual, as I trust they may lead to a favorable consideration of past services in certain cases, and that, under the peculiar circumstances of men who are advanced in life, and whose best years have been passed in the Mint in a calling which ill-adapts them for gaining a livelihood elsewhere, and who from no fault are unexpectedly deprived of what they had regarded as a provision for life; the Government may be pleased to bestow on them pensions somewhat in excess of what they may be declared entitled to by a strict application of the Pension Rules. Foremost among these is Mr. M. Christian, Superintendent of the Silver Laminating Room, who has been forty-one and half years continuously in the service of Government. His services in the Mint have been meritorious, and he is far advanced in life. His average salary far the past five years was Rupees 190, and admitting his claim to half-pay pension as Rupees 95, which a man is entitled to after twenty-six years' service, I venture to hope that, in consideration of his full-age service of thirty-nine years, the Government may be pleased to grant him a pension of 120 Rupees.

2. Mr. J. Schwenke, Superintendent of Artificers, comes next. He has been twenty-seven years in the Mint, and his present salary including a personal allowance is Rupees 140, but he has not enjoyed it for five years; yet, as he is suddenly thrown out of employment, I have recommended him for a pension of Rupees 70.

3. Mr. J. C. D'Silva, of the Copper Department, has been nearly twenty-two years in the service, or, deducting one-and-a-half year which he forfeited by leaving his situation in the commencement of his service on account of bad health, he counts as service for pension upwards of twenty years. He has been a most valuable servant throughout his career, and has, on more than one occasion, forfeited promotion because he could not be satisfactorily replaced in a less remunerative situation which he held. By the rules he would appear entitled to a pension of Rupees 46-10-8 a month; but in consideration of his special services, and that he loses a permanent situation of Rupees 140 a month, I have recommended him for a pension of Rupees 70, and I beg attention to his petition to my address which accompanies.

4. G. Somasoonderum Chetty, Accountant, Teagaroya Moodelly, Conicopilly, R. Moonesawmy, Head Shroff, P. Ponnumbalum, Weighingman and Conicopilly, are all much older men than they are said to be; and as the pensions which they appear entitled to are very trifling, I have added a few annas to make the even sum of Five Rupees monthly, which I trust may be passed.

5. C. Rungiah Naidoo, Die Conicopoly, is a similar case, and he only wants two months' service to complete the fifteen years which would entitle him to a pension of one-third of his salary. He is old and feeble, and unlikely to get other employment, on which account I have recommended him for a pension of Rupees 5 monthly.

6. It only remains for me to explain that, since the Mint was re-established in 1841, it had been customary to maintain certain servants on what was called the "Permanent Contingent list." They were not on the Establishment, but they were always considered in the same light, and treated in all respects the same as the Permanent Establishment Servants. Not being liable to dismissal as ordinary laborers and artificers were as coinage and other work fluctuated; and in giving these men the benefit of their service on the Permanent Contingent list in calculating their pensions, and the extent of which in each case is distinctly shown in the applications, I am following the practice that has always prevailed in dealing with old servants of the Mint.

To the Chief Secretary to Government, Fort Saint George.

ORDER THEREON, 4th February 1869, No. 49.

With his letter, above recorded, the Mint Master submits applications on behalf of ten persons, lately employed in the Mint, who are entitled to pension in consequence of reduction of the establishment, as ordered in the Proceedings of Government in the Financial Department, No. 471, dated 15th October 1868.

2. Mr. Michael Christian, Superintendent of the Silver Laminating Room, Mr. J. Schwenke, Superintendent of Artificers, and Mr. J. C. D'Silva, Superintendent of the Copper Melting Room, are shown to have completed service qualifying for pension as below:—

	Yrs.	Ms.	Days.
Mr. Christian.....	38	11	10
,, Schwenke.....	27	3	0
,, D'Silva.....	20	3	24

The average pay of these three employés, during the last five years of their service, is as follows:—

Mr. Christian.....	Rupees	190
,, Schwenke.....	,,	100
,, D'Silva.....	,,	140

Mr. Christian and Mr. Schwenke are therefore entitled, under the rules, to pensions equal to one-half of their respective salaries; and Mr. D'Silva to a pension of one-third of his average salary, that is to say, Mr. Christian to a monthly pension of Rupees 95, Mr. Schwenke to Rupees 50, and Mr. D'Silva to Rupees 46-8-0 per mensem.

3. The high terms of praise in which the Mint Master speaks of the service of these Superintendents, above named, enables the Governor in Council readily to sanction payment of the above pensions, which are the highest that can be granted under the rules; but he is unable to adopt the recommendation of the Mint Master that an application should be made to the Government of India for the grant of special pensions.

4. The cases of G. Somasoondrum Chetty, Accountant, T. Teayagaroya Moodelly, Conicopilly, C. Rungiah Naidoo, Die Conicopilly, and G. Culliyanasoondera Chetty, Accountant, are different, and will be referred to the Government of India in respect of their service during which they were borne on the "Permanent Contingent list"; if the service is disallowed in the cases of the first three men they will be entitled to no more than the gratuities shown in the margin, which the Governor in Council is pleased to authorize. A reference will, however, be made to the Supreme Government requesting that this service may be allowed as entitling to pension; as also

2. T. Teayagaroya Moodelly, Conicopilly	13	5	28	168

in the case of Culliyanasoondera, who, if allowed to count the service passed by him on the contingent establishment, will be entitled to half-pension. Pending the decision of the Government of India in Culliyanasoondera's case, the Governor in Council sanctions the one-third rate of pension, or Rupees 13-4-0, to which (excluding that service) he is now entitled.

5. To the men named in the margin, who have served for periods qualifying for one-half and one-third rates of pension, the Governor in Council sanctions the equivalent allowances, as shown opposite to their respective names.

Financial Department.

Sir,

I am instructed to transmit copy of the Proceedings of this Government in the Pension Department, dated the 4th instant, sanctioning the grant of Pensions and Gratuities to certain servants thrown out of employment by the recent reduction of the Establishment of the Madras Mint.

2. It will be seen from the Mint Master's letter, dated the 2nd Novr /68, which is recorded in

in the Proceedings, that since the re-establishment of the Mint in 1844, it had been customary to maintain certain Servants on the "Permanent Contingent List." They were not on the List of the Permanent Establishment, but they were always considered in the same light and treated in all respects in the same manner as those on the Permanent Establishment, and they were not liable to dismissal, as ordinary labourers and artificers, when coinage and other work fluctuated. The Mint Master recommends

who were, not being

the Service of these

recommends that these men, on the "Permanent Contingent List," should count both for Pension and Gratuity; and I am instructed to submit this recommendation for the favorable consideration of the Right Honble the Governor General in Council.
