Proceedings of the Madras Government, Financial Department,
23rd February 1869.

No. 67. Read the following letter from the Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George ; dated 16th February 1869, No. 400.

With reference to the Proceedings of Government, in the Financial Department, dated the 31st July 1868, No. 353, I have the honor to forward, for re-transmission to the Right Honorable the Secretary of State for India, the accompanying original Packing Account of Mint Stores received from England per Ship *Medusa*.

2. The Committee of Survey, consisting of Warrant Officers from the Gun-Carriage Manufactory and the Public Works Stores, and the Head Store-keeper of the Mint, state that Tons 71-0-3-26½ of pig-iron have been received instead of Tons 71-15-3-16, as shown in the Packing Account. The difference weighing Cwts. 14-3-17½, valued at Rupees 33-15-1, is found deficient; many pigs being broken, it was impossible to say if the deficiency arises from an error of weighment on leaving England, or from loss on boardship.

No. 68. ORDER THEREON, 23rd February 1869, No. 108.

Ordered that a copy of this letter, together with the Packing Account received with it, be forwarded to the Secretary of State for India.
