Proceedings of the Madras Government, Financial Department, 31*st March* 1869.

No. 91. Read the following Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort Saint George ; dated India Office, London, 11th February 1869, No. 8, (Financial.)

I forward, herewith, copy of correspondence with Mr. A. W. Phillips, c. s., relative to the grant to him of an extension of leave on medical certificate for the period of three months.

2. Mr. Phillips has elected to take the remainder of his present leave under the new Furlough Rules.

From A. W. PHILLIPS, Esq., to the Under Secretary of State for India ; dated Guildford, 23rd January 1869.

I have the honor to state that it is some time since I appeared before Sir Ronald Martin at the India Office, with a view to getting an extension of leave under the new sick Furlough Rules, which I was led to believe he had thought it necessary to recommend should be granted. As, however, I have had no official intimation, and I much fear further delay might cause my appointment to be considered by the authorities in India as having been vacated, I earnestly hope I may be excused for submitting the case for the consideration of the Secretary of State.

2. I beg further to say that it was owing to a misconstruction of the new rules that prevented my application earlier.

From the Financial Secretary, to A. W. PHILLIPS, Esq.; dated India Office, London, 26th January 1869.

I am directed by the Secretary of State for India in Council to acknowledge the receipt of your letter of the 23rd instant, and to acquaint you, in reply, that in accordance with the recommendation of the Medical Board, your leave has been extended for the period of three months.

2. I have at the same time to inform you, that, as you have failed to apply for an extension in sufficient time to admit of the necessary communication being made to the Government of Madras before the expiration of your leave in India, it must rest with that Government to decide as to the retention by you of your appointment during this exension.
