Proceedings of the Madras Government, Financial Department, 31st March 1869.

No. 89. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 15th March 1869, No. 246.

Budget and Resource Department.

Adverting to the Government Order, No. 95, Financial Department, dated 15th ultimo, I have the honor to request that you will be good enough to direct that copies of the returns, noted in the margin, printed in the enclosure of Government Order, Financial Department, dated 14th September 1867, No. 417, may be sent to this Department by the Controlling Establishments and Officers entrusted with their preparation, so soon as the originals may be despatched to Government. These returns will greatly assist me in explaining the causes of variation in the receipt and expenditure between the year to which the transactions relate and the preceding one. I must add that, in disposing of a letter lately* received from the Financial Secretary, Calcutta, regarding certain statistical returns, this office was put to great inconvenience from want of full information on the several points respecting which it was required to report; and I would, therefore, request that, in future, a copy of the administration reports of the Controlling Heads of Departments and Officers at the Presidency may be sent for the use of this office.
