Leave and Allowances.

Read—

Office Memorandum from the Home Department, No. 4248, dated the 23rd October 1868, and its enclosure, regarding the allowances of Assistant Surgeon H. C. Cutcliffe as the officer in medical charge of the camp of the Lieutenant-Governor of the North-Western Provinces, from March to October 1867, and as Officiating Superintendent of the Government Press, and Curator of Government Books, in the North-Western Provinces, from the 1st July 1868.

Resolution—Dr. Cutcliffe is permitted to draw an allowance of Rupees 100 per mensem in addition to the pay and allowances of his rank, for the period for which he was in charge of th ecamp of the Honorable the Lieutenant Governor.

2. With regard to Dr. Cutcliffe's allowances as Superintendent of the Government Press, and Curator of Government Books, from the 1st July 1868, it appears that, under the second of the rules contained in the Resolution, No. 1490, passed in this Department on the 30th idem, regarding the allowances of Military Officers, acting in Civil appointments, the Deputy Accountant General, North-Western Provinces, has passed to Dr. Cutcliffe a subsistence allowance of Rupees 250 per mensem, in lieu of the Military pay and allowances of his rank, in addition to an acting allowance of 50 per cent. on the salary of the Superintendency and Curatorship; but that the Government of the North-Western Provinces doubts the applicability to the case of the Resolution of the 30th July last, because Dr. Cutcliffe is a medical officer.

3. As the appointment in which Dr. Cutcliffe was officiating was one which may be held by a Medical, or by any other Military, officer, the Resolution of the 30th July last is certainly applicable to the case; but the Deputy Accountant General has apparently misconstrued the second of the rules contained in the Resolution of the 30th July last. The intention of that rule was not to interfere with any Military officer's claim to the pay and allowances of his rank, but to restrict the aggregate of his emoluments to the amount which would be drawn as subsistence allowance and acting allowance by a Covenanted Civil Servant, of corresponding rank in his position. Under that rule, therefore, Dr. Cutcliffe is entitled to his Military pay and allowances, and to such an acting allowance as would raise his total emoluments to the aggregate of a subsistence allowance of Rupees 250, and an acting allowance of 50 per cent. on the salary of the offices in which he is officiating; but as the Resolution of the 30th July 1868 was not intended to reduce the allowances which any officer was drawing at the time of its promulgation, Dr. Cutcliffe is permitted, as Officiating Superintendent and Curator, to draw, after the 30th June 1868, the allowances he was drawing on that date.

Ordered that the foregoing Resolution be published in the *Gazette of India*, and communicated to the Foreign and Home Departments; the Governments of Bengal, Madras, Bombay, the North-Western Provinces, and the Punjab; the Comptroller General of Accounts; the Director General of the Post Office of India; the Mint Master, Calcutta; the Accountants General in Bengal, Madras, Bombay, the North-Western Provinces, the Punjab, and British Burmah; and the Deputy Accountants General in the Central Provinces, Hyderabad and Mysore.
