Letter from Deputy Accountant General, North-Western Provinces, No. PA. 8478, dated 25th March 1869, submitting an inquiry in connexion with the above subject.

Resolution.—Under the terms of the Resolution of the 4th July 1861, a Government servant discharged on reduction of establishment with pension, if temporarily reemployed under Government, draws both pension and the pay of temporary office, provided the aggregrate receipts do not exceed the pay of the appointment relinquished at the time of the reduction. In other words, if the pay of the new office be more than or equal to the pay of former office, no portion of the pension is allowed to be drawn; but if less, so much of the pension is allowed to be drawn in addition to the pay as is necessary to make up the aggregate receipts equal to former pay.

2. The Governor General in Council sees no reason why these rules should be restricted only to pensioners employed temporarily, and is pleased to direct that, in future, the same rules shall be applied to the cases of Government servants discharged with pension on reduction of establishment, who may be subsequently reemployed on permanent establishments.

3. With regard to the inquiry made by the Deputy Accountant General, North-Western Provinces, the Governor General in Council observes that special orders of Government are not necessary for the admission of claims under these rules.

Ordered that the foregoing Resolution be published in the *Gazette of India*, and that copies be furnished to—

The several Secretariats,
