Proceedings of the Madras Government, Financial Department,
14th January 1869.

Read the following papers :—

No. 41. From W. S. NESBITT, Esq., Madras Civil Service, to the Chief Secretary to Government, Fort Saint George ; dated Longhborough, Leichestershire, England, 25th November 1868.

In accordance with instructions received from the Under Secretary of State for India, (copy of whose letter I annex,) I forward, herewith, the Report of the India Office Medical Board recommending me to be allowed to retire from the Madras Civil Service ; and I beg you will be good enough to submit to Government this my application to be admitted, *from the expiration of my furlough on the 1st February next*, to an *Invalid* pension of £450 per annum, to which I am entitled by the Regulations of the Service, as authorized in the Despatches of the Secretary of State for India, dated 25th November 1862, No. 193, Financial Department, and 15th August 1863, No. 142.

2. The decision of Government on this application together with any certificates from the Accountant General, or Civil Pay Master's Office, which may be necessary to enable me to draw hereafter my invalid pension, may be transmitted to me through the India Office, addressed to the care of Messrs. Henry King and Co., (late Smith Elder & Co.,) 45 Pall Mall, London.

From the Under Secretary of State for India, to W. S. NESBITT, Esq., Madras Civil Service ; dated India Office, S. W., 20th November 1868.

With reference to your letter of the 7th instant, and to the reply from this office of the 10th instant, I am directed by the Secretary of State for India in Council to acquaint you, that, in accordance with the recommendation of the Medical Board, your resignation of the Madras Civil Service has been accepted from the 1st February next, subject to the adjustment of any demands that may be standing against you in India.

2. The report of the Medical Board on your case is forwarded herewith, and should be transmitted to the Government of Madras, together with your application for an invalid pension, of which a duplicate should also be sent to the Managers of the Madras Civil Service Annuity Fund at Madras.

We certify, after having taken the usual obligation, to have carefully examined Mr. W. S. Nesbitt, Madras Civil Service, and find that he left India in February 18 66, and arrived in England in following April on private leave ; but previous to this he has frequently suffered from severe bilious derangement, hypochondriasis, and great nervous depression, which latter affection has, to a great extent, incapacitated him from work. During the time he has been home he has been for six months quite laid aside from nervous and mental depression, which necessitated his being placed under the care of Dr. Forbes Winslow. At present his health is not satisfactory, and the Board do not consider he will be likely again to render effective service in India, and recommend his being allowed to retire from the service.

My dear Sir,

I (Register) last mail an application & Papers for an Invalid Pension which I trust will be duly received & hope there will be no difficulty in granting the ordinary Invalid Pension for which I have applied, and to which I should be entitled under the Rules and Orders & which I have respectfully requested may be forwarded to the Secretary of State for War

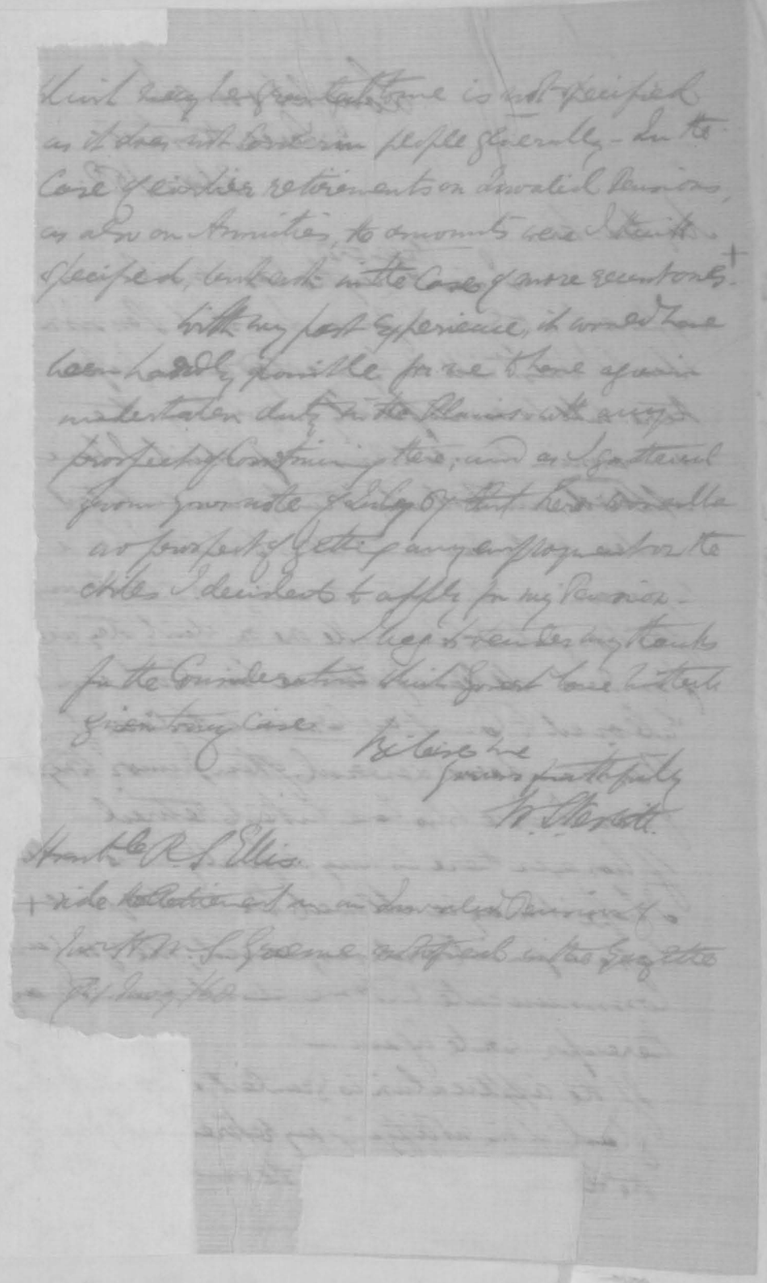

I believe I am correct in stating that the Bengal Establishment are or shortly will be founded - the Bombay & Madras Establishments have also been abolished & Commissariat Service in lieu of Officers from Line Regiments (General Order Junior Majors of Commissariat Service who have retired -

If however there is any difficulty in the matter, I hope it may be allowed to be in abeyance, until a final order is passed, & that you will communicate with me about it, and I may thereupon write again -

If the application is granted, I would be glad, if in notifying my retirement from the Service in the Gazette, the amount of the Pension

dent may be from that time is not specified
as it does with Lieutenants generally - In the
case of either retirements on Invalid Pensions,
or else on Annuities, to amounts less than the
Specified, I embark in the case of more recent date.

With my past Experience, it would have
been hardly possible for me to have again
undertaken duty in the Islands with any
prospect of continuing there, and as I gathered
from your note of the 1st inst. that there would be
no prospect of getting any employment in the
Office I decided to apply for my Pension -
