2. On the application of the Peon Goolam Hussaine to be permitted to retire on a compassionate allowance from 1st March 1869, I had directed him to produce a medical certificate of physical incapacity for further service. On the 9th the applicant having represented that the Zillah Surgeon, to whom he had applied for a certificate, required an official intimation from the Court for the purpose, I requested, on the same date, that officer by letter to examine the applicant and to certify as to his physical unfitness or otherwise for further active employment; but the certificate received from that officer not containing the information required by the Proceedings of the Madras Government in the Pension Department, dated the 5th April 1865, No. 136, and 14th June 1866, No. 224, as to whether the applicant was or was not under regular medical treatment, I again requested him on the 12th to
