Office Memorandum from the Foreign Department, No. 213, dated 5th June 1869, regarding the application of the Resolution of the Financial Department, No. 201, dated 26th April 1869, to the case of Mr. R. Burnham, a clerk on the establishment of the Foreign Secretariat, who is in receipt of a pension granted to him after he was discharged on a former occasion, on reduction, from the same office, where he was employed as a section writer.

RESOLUTION.—In accordance with the ruling of 26th April, Mr. Burnham is entitled to both his pension and the salary of his present office, provided his aggregate receipts do not exceed the salary relinquished by him at the time of the reduction. But as Mr. Burnham, as a section writer, drew no fixed pay, the Governor General in Council is pleased to direct that the amount of the pay relinquished by him at the time of the reduction be calculated on the average of his actual earnings for the six months preceding the date of his discharge.

His Excellency in Council further resolves that the same principle be adopted in regard to the cases of all section writers, for the purposes of the Resolution of the 26th April 1869, No. 201.

Ordered that the foregoing Resolution be communicated to the Foreign Department, and also to the other Secretariats; the several local Governments and Administrations; the Comptroller General of Accounts; and the several Accountants General and the Deputy Accountants General in independent charge.
