Endorsement of the Foreign Department, No. 232, dated 16th June 1869, on a letter from the Government of Bombay, submitting the case of Rao Bahadoor Dajibhaee Soonderloll, Dufterdar to the Collector of Ahmedabad, who has been appointed to revise the accounts of the Edur State ; and soliciting that, under the terms of the Resolution of the Government of India in the Financial Department, No. 564, dated 6th June 1867, the period of his employment in the Edur State, and the salary drawn by him during such employment, may be allowed to count for pension under the Uncovenanted Service Rules.

Resolution.—Rao Bahadoor Dajibhaee Soonderloll having been transferred to the service of the Edur State for a purpose in which the British Government is interested, is entitled, in accordance with the ruling in Financial Resolution, No. 564, of the 6th June 1867, to count his service under that State towards pension as an Uncovenanted Servant. That Resolution, however, does not permit of pension being computed upon any salary that may be allowed to the transferred officer in excess of that received by him from the British Government at the time of the transfer ; and, accordingly, the recommendation of the Government of Bombay to allow Rao Bahadoor Dajibhaee Soonderloll to count for pension the higher salary allowed to him by the Edur State, is inadmissible.

Ordered that the foregoing Resolution be communicated to the Foreign Department for communication to the Government of Bombay, and that copies thereof, and of the Resolution, No. 564, dated 6th June 1867, be forwarded *for information and guidance to the several* Secretariats, the several local Governments and Administrations, the Comptroller General of Accounts, the several Accountants General, and the Deputy Accountants General in independent charge.

RESOLUTION.—The Governor General in Council is pleased to resolve that, when a Government officer is allowed to enter the service of a Native State for a purpose in which the Government is interested, his service under that State shall count towards pension, whether the proportion of pension calculated according to the period of service in the Native State is chargeable to such State or not. Under this ruling, Mr. Clarke's service in the Mundee State will reckon towards pension under the Uncovenanted Service Rules.
