THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT, *Simla.*

SIR,

In reply to your letter of the 2nd instant, No. 1743, I am directed to express the regret of this Government that, owing to an oversight, Colonel Carpendale's leave, and the nomination of Dr. Bellew to the temporary charge of the Mint, was not reported to the Government of India.

2. The state of Colonel Carpendale's health rendered it necessary that he should be granted the leave for which he applied, and no practical inconvenience has resulted, as, previous to his departure, and on receipt of your telegram of 20th May, he made all arrangements for closing work at the Mint, and dispensing with a considerable portion of the establishment from the 1st June. The detailed instructions of the Government of India, which have only recently been received, have also now been referred to Colonel Carpendale for report as to the arrangement needed to carry them into effect.

Sir,

The Head Commissioner of Paper Currency Calcutta, having forwarded to this Department a copy of a letter from Colonel J. Carpendale the Mint Master and Commissioner of Paper Currency Madras, reporting that he has been relieved of his duties by Surgeon D. F. Bellew, the Assay master of the Madras Mint, in accordance with an order of the Government of Fort Saint George granting him privilege leave for two months, and appointing Doctor Bellew to take charge of his office during his absence, I am directed to point out that the grant of leave to Colonel Carpendale should have been reported at once to this Department with reference to the orders noted in the margin, and that Doctor Bellew's services should not have been made use of by the Government of Fort Saint George without the previous permission of the

the Government of India in this department, to which he is subordinate as Assay Master, I am also directed to observe that the absence of Colonel Carpendale, just at the time when the order directing the abolition of the Madras Mint, which was telegraphed to you on the 20th ultimo, has to be carried into effect must, it is feared, prove highly inconvenient.
