SIR,

I am directed to forward the Proceedings of this Government in the Pension Department, No. 229, dated 4th August 1869, and to solicit the sanction of the Government of India to the grant of gratuity therein made. The grounds and necessity of this application appear sufficiently in the Proceedings.

Order, 4th August 1869, *No.* 229.

The Governor in Council is pleased to grant under the old rules to Venkatasami Nayadu, late peon of the Tahsildar of Dharmapuri taluq, Salem district, who has served for twenty-four years, nine months, and thirteen days, a gratuity of Rupees (36) thirty-six or six months' salary, subject to the confirmation of the Government of India, which is necessary, as the medical certificate was obtained on the 30th July 1868 or three months after the applicant's retirement from the service on the 30th April.

2. Under the circumstances stated by the Collector, the applicant should not have been removed from the service till a medical certificate in proper form had been put in.

3. It appears from the letter of the Collector of Salem that the delay in obtaining and submitting the medical certificate was due to the illness of the applicant, who was unable to appear before the Medical Officer at Salem for examination until the 30th July 1868, or to present the certificate in the office of the Sub-Collector till the 28th November following. The papers were detained in the Collector's office from the 30th November till the 12th February, and no explanation is given except that this delay was due to the negligence of the subordinates in his office. The Collector will be informed that the Government consider this statement very unsatisfactory, and that it was his duty to have exercised such personal supervision in his office as would have rendered the delay in the present case impossible.
