Sir,

In submitting the accompanying letter from the Officiating Inam Commissioner dated 20 ultimo No 214, I have the honor with reference to Government Proceedings No 784 dated 14 June 1859, Revenue Department, to request that you will be good enough to inform me whether Government intended that services of Clerks on the Establishment of the Inam Commissioner should reckon towards Pension as suggested by Mr. Taylor in the 11th para of his letter of the 26th may 1859 - As a rule, I may remark employment on Extra or Temporary Establishments is not allowed to count as service qualifying for pension (vide Para 118 Chapter III of Civil Auditor's Manual).

I have the honor to be

Your most obed.t Servant

Memo.

Letter No. 662 - 18th June 1864.

1. The Accountant General at the instance of the Officiating Dram Commissioner Enquires "whether Government intended that services of Clerks on the Establishment of the Dram Commissioner should reckon towards Pension, as suggested by Mr. Taylor in the 11th para of his letter of the 26th May 1859."

2. Mr. Taylor's recommendation was in these words. "As these establishments are of a temporary nature it is very important that the rates of pay should enable me to secure and retain the best available agency, and it should be clearly understood at the outset that the period of employment in the Dram will count as service in calculating claims to pension under the rules"

Memo

Eligibility of Servants in the Inam Commissioner's Office to pension.

decided in the Civil Pension department. Any of the Inam Commission servants who have retained permanent appointments, or other eligible grades on the establishments of Collectors will be entitled to count their Inam Commission service under existing orders.

The arrangements for the Inam Commission when first established, were notoriously temporary. It is difficult to explain how they have been made to last up to the present time. No man however, who, having passed a permanent Government office, took service under the Inam Comm^n. can have been ignorant that he was liable to be cast out on the completion of his employment and that the duration of his employment depended entirely on the will of Government. The men who were dispensed with in 1858 by Mr. Blair have a claim to the usual pension. [illegible] deem from the Collectors of Collectors all service counted as service for pension the period passed in the Inam Comm^n.

I think that with the papers & my letter & the memo there will be materials enough to pass orders.
