ORDER THEREON, 16th August 1869, No. 254.

Edga Laulameah, late Duffadar on the establishment of the Collector of Sea Customs, Madras, has been in the service of Government for upwards of forty years. His character is reported good, and he is now certified to be unfit for further service. He was relieved from duty on the 11th October 1867, though not struck off the establishment, being on sick leave till the 12th December 1868. He was sent to obtain medical certificate four months and nineteen days later in consequence of the promulgation of the despatch of the Secretary of State, the benefit of which is claimed, which took place in this Presidency on the 22nd December.

2. The Government observe that the Collector of Sea Customs was wrong in removing the man from the service on the ground of his old age and unfitness for active duty before a medical certificate to that effect had been obtained, and his disregard of the positive and reiterated orders on this subject has necessitated a reference to the Government of India.

3. Subject to the confirmation of the Government of India, the Governor in Council is pleased to grant, under the despatch of the Secretary of State for India, dated 14th October 1868, to Edga Laulameah, a compassionate allowance of Rupees (4) four per mensem with effect from the 13th December 1868.

4. It is observed that Laulameah's name was struck off from the establishment nine days prior to the promulgation in this Presidency of the despatch of the Secretary of State ; but, in consideration of Laulameah's long service and good conduct, and of the fact that he was irregularly struck off the active list, the Government resolve to give effect in his case to the above despatch from the date of its publication in the *Gazette of India** in accordance with the decision of the Government of India in reference to the despatch of the Secretary of State, No. 517, of the 16th December 1867, (vide letter to this Government, dated 24th June 1868, No. 492).
