## *Proceedings of the Madras Government, Financial Department, 1st September* 1869.

Read Budget Estimate of the Stationery Department for 1870-71.

No 3. ORDER THEREON, 1st September 1869, No. 400.

It appears from the Budget Estimate of the Stationery Department for the year 1870-71, that the outlay necessary for establishment and purchase of Stationery in this country will be Rupees 1,14,422, or about the same amount as expended in 1867-68, although the actuals for 1868-69 did not exceed Rupees 1,01,153.

2. It is explained in the Column of Remarks of the Estimate, that certain charges which should have been incurred in 1868-69 were incurred in 1869-70. The Government are not satisfied with this explanation, and they are of opinion that the estimate for the Stationery Department for 1870-71, should not exceed the average of the actuals for 1867-68* and 1868-69†, which, taken in round numbers, is about Rupees 1,08,000, or Rupees 6442 less than the amount budgeted for.
