Proceedings of the Madras Government, Financial Department,
2nd September 1869.

No. 6. Read the following letter from the Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 11th August 1869, No. 245.

Mr. A. G. Peterson, Head Accountant and Manager of the Mint Office on a salary of Rupees 250 per mensem, is about to be pensioned on the abolition of the Mint, but is desirous of being afterwards retained in the service of Government as Accountant in the Bullion Depôt Office which is to take the place of the Mint, and for which I recommended a salary of Rupees 100 per mensem. I have the honour to inquire if Government have any objection to this proceeding under the Notification of the Government of India, dated 26th April 1869, No. 201, Financial Department.

2. Mr. Peterson is anxious to take his pension whether he is re-employed or not, as the salary I have recommended is too small to induce him to remain, and it would certainly be convenient to retain his services as Accountant of the Bullion Depôt, as there will probably be for a long time references regarding past transactions, which a person acquainted with the records would easily dispose of.

3. Mr. Peterson is also Manager of the Stamp-Paper Department, for which he receives Rupees 50 a month, and will continue to receive it if the stamping is continued on the Mint premises ; but even so his pension, *plus* salary as Accountant of Bullion Depôt, and *plus* salary as Manager of Stamp-Paper Department, would be less than his present income.

No. 7. ORDER THEREON, 2nd September 1869, No. 402.

The Government see no objection to the arrangement referred to in the foregoing letter.
