THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

I am directed to request the sanction of the Government of India to the grant of compassionate allowance, under the orders of the Government of India dated the 11th December 1863, No. 6254, in the following cases :—

2. In 1864 certain salt-pans in the Nellore district were abolished, and the two peons named in the margin who then lost their appointments, and who had at that date served respectively thirty-one years, three months, and two days, and thirty years and three months, were transferred, owing to the change in the establishments, as vettians or salt measurers, to two other pans. These, however, were also abolished in 1866, after the individuals in question had completed terms of service amounting to thirty-three years, ten months, and seventeen days, and thirty-two years and ten months, respectively.

Pandáru Kánappa.
Boya Pápayya.

3. A distinction has been hitherto invariably drawn between *peons* who have been considered eligible to compassionate allowances, under the Resolution above cited, and *vettians*, who have not been admitted to these allowances. The salaries drawn were, in the present cases, the same in both grades. After the discharge of the two men in 1866, a gratuity of six months' pay, or Rupees 30, was awarded to Pápayya; but owing to a mistake compassionate allowance was granted to Kánappa. On the discovery of the mistake the grant was cancelled, and gratuity similar to Pápayya was given.

4. I am directed by His Excellency the Governor in Council to state his opinion that the enforcement of the strict rule requiring the treatment of these individuals as vettians, and not as peons, is productive of much hardship. Having served as peons for upwards of thirty years, and become entitled to compassionate allowance after the reduction of establishment in 1864, they, doubtless in ignorance, accepted further service in the grade of vettian, and thereby forfeited their claim to compassionate allowance, acquiring merely a right to gratuity. I am, therefore, to request permission to admit them to compassionate allowance from the date of their discharge. I am to add that such cases as are described above are not numerous.
