I am directed to submit copy of the Proceedings of this Government in the Pension Department, No. 315, dated 15th September 1869, and to request that, under the circumstances stated, the sanction of the Government of India may be accorded to the grant of pension therein made.

Order, 15th September 1869, *No.* 315.

Hanumantha Row, late Goomastah of the Tadputri taluq in the Bellary district, has served for pension for a period of twenty-seven years, six months, and three days. He applied for pension and was removed from the service on the 23rd July last; and, when about to start for Bellary in order to undergo medical examination, was seized with rheumatism, by which he was prostrated for six months, and in consequence the medical certificate of his incapacity for service is dated the 1st March 1869, or seven months and nine days after he was relieved from duty.

2. The Government observe that the Collector should not have finally removed the man from the service until the certificate had been obtained; but that, if necessary, leave should have been granted him to enable him to present himself for medical examination. In consequence of the rule laid down to this effect having been disregarded, it has become necessary to refer the grant of pension for the confirmation of the Government of India, subject to which His Excellency the Governor in Council is pleased to grant to Hanumantha Row a pension of Rupees 6-12-0 per mensem, equal to a moiety of his average salary during the last five years of service.
