*Proceedings of the Madras Government, Financial Department,*
*20th January* 1869.

Read the following papers :—

No. 76. From the Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 21st December 1868, No. 337.

Adverting to the Order of Government, No. 353, of the 31st July last, I have the honor to report the arrival of the ship *Medusa* with pig iron from England, weighing seventy-one tons, and in number 1484 pieces, and request a Committee of Officers unconnected with the Mint may be appointed to examine the stores. It will probably be three weeks, or so, before all the iron is landed and conveyed to the Mint.

No. 77. From the Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 8th January 1869, No. 350.

In continuation of my letter, No. 337, of the 21st ultimo, I have the honor to report the arrival of another ship, the *Sir Robert Seppings*, from England with thirty bundles of flat iron weighing about 1½ tons, one case containing two dials gauge steam, and one case containing a set of decimal weights, and request a Committee of Officers unconnected with the Mint may be appointed to examine the stores.

2. The cases have been landed. The iron is at the bottom of the ship, and will probably not be landed for some days.

No. 78. Order thereon, 20th January 1869, No. 46.

Resolved that copies of the foregoing letter from the Mint Master be forwarded to the Military and Public Works Departments, in order that instructions may be issued in those Departments for deputing an employé of the grade of Warrant Officer from the Gun Carriage Manufactory, and from the Public Works Stores, to form the Committee to be appointed by the Mint Master to examine the stores received from England per ships *Sir Robert Seppings* and *Medusa*.

2. To prevent delay, in future, the Mint Master will be instructed to address the Superintendent of the Gun Carriage Manufactory, and the Officer in charge of the Public Works Stores Department direct, to depute an employé for the examination of stores received from England. The Mint Master will endeavour to arrange the examination, so as to prevent inconvenience arising in the departments referred to from the deputation of employés to serve on the Committee.
