Proceedings of the Madras Government, Financial Department, 11th October 1869.

No. 19. Read the following Proceedings of the Government of India, Financial Department, dated Simla, 17th September 1869, No. 3442.

RESOLUTION.—It is a well-understood rule, applicable to every Department of the Administration, that no unsanctioned charge can be entered in the budget estimates of charge.

2. It does not appear to be so well-understood that, on the other hand, even a sanctioned charge cannot be incurred, and must not be passed by the Officers of the Audit Department until funds have been granted to cover it.

3. The Right Honourable the Governor General in Council is pleased to declare that, from this time forward, this rule must be rigidly observed, and that no charge, even though it be sanctioned, which is not provided for by a distinct assignment of funds, is henceforth to be admitted by the Audit Department.

4. Whenever application is made for sanction to any expenditure which it is desired to incur, wholly or in part, before the next budget allotment is made, either it must be shown that the charge, if sanctioned, can be met by some re-arrangement of the budget grants, or an additional budget assignment must be definitely asked for.

Ordered that a copy of the above Resolution be sent to the several Local Governments, Departments, and Administrations; to the Comptroller General of Accounts; and to the several Accountants General and Deputy Accountants General in independent charge.
