Proceedings of the Madras Government, Financial Department, 12th October 1869.

No. 32. Read the following letter from the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 23rd September 1869, No. 360.

I have the honour to forward, for submission to Government, the Civil budget-estimate of the Medical Department for the year 1870-71, and to submit the following explanatory remarks as to the causes of variation between the present and the estimate immediately preceding:—

2. Medical Service.—The decrease under this head is owing to the omission of pay of the Professor of Botany, who is appointed Superintendent of the Lunatic Asylum; to the change from first to second class of the station of Rajahmundry, agreeably to G. O., Public Department, No. 1017, of date the 21st July 1869, and to the reduction of travelling expenses and contingencies by the Accountant General to the actuals of the previous years.

3. Hospitals and Dispensaries.—The increase under this head is owing to the inclusion of the pay of Medical Officers and of the establishment, diet, &c., on account of Lock-Hospitals in Blacktown and Vepery, with reference to the orders of Government, Public Department, Nos. 1512 and 178, dated 9th December 1868, and 9th February 1869, respectively; to the employed allowance of Rs. 30 for the Apothecaries; vide G. O. G., No. 559, of 5th June 1868; the pay of an Apothecary at Muddenpully agreeably to G. O., Public Department, No. 903, dated 3rd July 1869; increased pay of the steward and writer of the Eye Infirmary, and the employment of peons at Adoni, Hospett, and Anantapore, sanctioned in G. O., Nos. 47, 49, and 1188, dated 13th January and 25th August 1869, also some other minor increases.

4. Vaccine Establishment.—Increase is due to the double batta for six first-class Vaccinators employed in the Jeypore country, and monthly payment of five rupees to each of the Vaccinators employed at the several hill stations, for the purpose of providing themselves with warm clothing, authorized in the Proceedings of Government, Public Department, Nos. 1329 and 122, dated 22nd October 1868, and 28th January 1869.

5. Lunatic Asylum.—The following items contribute to swell the total of this minor head, viz., Medical Officer's pay of the Madras Lunatic Asylum sanctioned by the Government of India in their Order, No. 3003, dated 1st July 1869; the employed allowance of the Apothecary; the addition of European Matron and Toties to the establishment agreeably to Orders of Government, Judicial Department, Nos. 474 and 1134, dated 20th March and 13th July 1869, also increase of pay to keepers in the Asylum at Vizagapatam, and to certain sum sanctioned for the purchase of tools, &c., for the occupation and recreation of the inmates of the Asylums; vide orders of Government, Nos. 760 and 1358, dated 5th May and 18th August 1869, respectively.

6. Police.—The increase under this head is due to an Hospital Assistant being added for the Police at Nursapore agreeably to G. O., Public Department, No. 292, dated 10th March 1869; to the allowance of five rupees to each of the Hospital Assistants at Guntoor and Bezwada, with reference to the Proceedings of Government, Judicial Department, No. 429, of 16th March 1869; the employment of a ward cooly on six rupees per mensem at Vellore, agreeably to orders of Government, No. 979, dated 11th June 1869, and the pay of the menial attached to the Police Hospital at Jeypore being raised from three rupees to five rupees per mensem, as per Order of Government, Judicial Department, No. 836, dated 18th May 1869.

7. Law and Justice.—Decrease under this head is on account of the omission of the Apothecary's pay attached to Neddivuttum Jail recently abolished; the employed allowance of the Apothecary attached to the Penitentiary, and Rupees 35 for the Apothecary at Lovedale for the immediate charge of the children at that place sanctioned as a temporary measure have been added.

8. General Observations.—The various causes which influence the estimate now submitted have been indicated above, and the authority is quoted against each item of variation. I trust the estimate may be found satisfactory, and I have, therefore, the honour to recommend that the budget may be passed in its integrity.
