No. 36. ORDER THEREON, 12th October 1869, No. 480.

The Assay Master estimates the amount required for the Assay and Bullion Departments for the year 1870-71 at Rupees 42,018. Under the head "Salaries and Allowances" he has included a sum of Rupees 7280 for Assistant Assay Master; but as no sanction has yet been given by the Government of India for such an appointment, or for the salary to be assigned to it, the amount entered in the estimate will be removed.

2. The allowance for contingencies of Rupees 1000 under the heads of "Assay Officer" and "Miscellaneous," respectively, seems excessive, and will be reduced to Rs. 500 under each head.

3. The omission of the sum of Rupees 7280, and of Rupees 1000 from contingencies, will reduce the estimate from Rupees 42,018 to Rupees 33,738. To this must be added Rupees 480, being the cost of the establishment sanctioned in G. O., dated the 27th September 1869, No. 445, less the cost of six lascars included under the head of "Bullion Office."

4. The aggregate amount now passed for the Assay and Bullion Departments is Rs. 34,218.
