Proceedings of the Madras Government, Financial Department, 16*th October* 1869.

Read the following budget-estimates for the Madras Town and Mofussil Police for 1870-71.

(Here enter 8th October 1869.)

No. 45. ORDER THEREON, 16th October 1869, No. 489.

The budget-estimate for the Madras Town and Mofussil Police, for the year 1870-71, amounts to Rupees 39,00,000, including a sum of Rupees 25,000 to cover the cost of postage. Deducting this sum the cost is reduced to Rupees 38,75,000.

2. The actuals, as per returns furnished by the Accountant General for 1867-68 and 1868-69, and the estimate based on the actuals for four months in 1869-70, are—

	RS.	A.	P.
	38,93,940	9	10
	38,17,905	4	11
	37,70,992	10	3
	114,82,838	9	0
Average...	38,27,612	13	8

3. In these figures are included the expenditure incurred for "Construction of Police Lines and repairs of Buildings;" but in the estimate for 1870-71 no entry has been made on that account, it having been determined by the Government of India that the cost on Police lines and buildings shall hereafter appear in the Public-Works Budget.

4. It appears from the estimate that the cost of the establishment* of the Inspector General of Police and that of clothing have been reduced to the extent of Rupees 20,031 as compared with the estimate for 1869-70, and that there is an excess under the following heads of Rupees 52,191, viz.:—

* Rupees 7,240

5. The cause of the excess under the 3rd, 4th, 5th, 6th, and 7th of the heads described is, as explained by the Inspector General of Police, owing to the establishment of Salt guards in certain districts having been strengthened, and to the Madras Town Police having been increased to supply guards for the

Mint,
Commissary General's Office and Store Godowns,
Bank of Madras,
Gun-Carriage Manufactory,
Stamp and Telegraph Offices,

in substitution of the Military guards.

6. The increase under "Mounted Police" is due to the promotion in the Military Department of Captain Markham, the Superintendent, to the grade of Commissary; under the heads of "Arms and Accoutrements," and "Medical Charges" to the cost of supplies issued by the Military and Medical Departments having been provided for according to the Circular of the Comptroller General of Accounts, dated the 22nd March 1869, No. 87, and under "Contingencies" to the assignment for 1869-70 having been found insufficient.

7. The Government resolve to pass the estimate for Rupees 39,00,000, as they are satisfied that the Inspector General has estimated only for such expenditure as is absolutely necessary in order to insure the efficient working of the Police Force.
