Proceedings of the Madras Government, Financial Department, 19th October 1869.

No. 52. Read the following letter from the Officiating Secretary to the Government of India, Financial Department, to the Deputy Accountant General, Mysore, dated Simla, 30th September 1869, No. 3562.

I am directed to request that you will submit, at once, to the Chief Commissioner of Mysore a statement showing and explaining, so far as you can, in detail, the variations from the Budget Estimates and grants under each head of the actual accounts of 1868-69. Should you have failed to bring promptly to the notice of the Chief Commissioner of Mysore, in the course of the year, any expenditure in excess of any grant, or any serious deficiency of revenue from estimate, you will, in submitting the statement above ordered, explain your omission. Should you have warned the local Government of any such deficiency in revenue, or excess in expenditure, you should quote in the statement the number and date of your letter, and should your warning have proved ineffectual, and you not have reported the matter to the Supreme Government, the omission must, in each instance, be explained direct to the Government of India.

2. A similar statement and similar explanations are to be submitted in all future years on the earliest possible dates after your actual accounts for the year are completed.

Copy to the several local Governments and to the Directors General of the Post Office and Telegraphs, who will submit the statements above called for with their explanations to this Department and to the Foreign Department, respectively; also to the Foreign Department, which will pass on the explanation of the Director General of the Telegraphs with any remarks that may be called for. Upon receipt of the statements herein ordered, or if such statements have been already received, then, as soon as possible, the local Government is requested to submit the Accountant General's statement with its own explanation of any unauthorized transgression of Budget limits.
