Proceedings of the Madras Government, Financial Department, 26th October 1869.

Read the Budget Estimate of the Telugu Translator to Government, dated 18th October 1869.

No. 58. ORDER THEREON, 26th October 1869, No. 498.

The Telugu Translator to Government estimates the funds necessary for 1870-71 at Rupees 15,880, against the estimate for 1869-70 of Rupees 13,806, and the actuals for 1868-69 of Rupees 8910.

2. Three out of the four items in the estimate are for salaries, in which there is no variation. In the fourth item, viz., for "Contingencies," the actuals for 1868-69 are given at Rupees 3030; the average for the last three years at Rupees 7036; the estimate for the current year at Rupees 7926; and the estimate for 1870-71 at Rupees 10,000, owing, it is stated, to the number of Acts and copies of the Acts ordered to be printed exceeding the number hitherto printed.

3. Before passing the estimate the Governor in Council desires to be furnished with more definite information in regard to the number of Acts and quantity of matter likely to be translated and printed in 1870-71, as compared with the number of Acts translated in 1867-68, in 1868-69, and in the first five months of 1869-70.

4. Pending the receipt of this information, the Governor in Council directs that the assignment for contingencies in 1870-71, be reduced from Rupees 10,000 to Rupees 7500, and that every effort be made by the Telugu Translator to keep the expenditure within that amount. The estimate passed is for Rupees 13,380.
