No. 70. ORDER THEREON, 28th October 1869, No. 511.

The Budget Estimate of the Tamil Translator to Government shows that Rupees 14,865 will be required in 1870-71. Three out of the four items in the estimate are for salaries, and are fixed. The fourth item is for "Contingencies." The expenditure under that head in 1868-69 was Rupees 6517. The estimate for 1869-70 is Rupees 9235, and that for 1870-71 is for Rupees 8985, based on the average of the estimates for the past three years.

2. The correct mode of calculating charges not of a fixed nature is upon the actuals, and this course will be followed by the Tamil Translator in future.

3. The actuals for contingencies not having been more than Rupees 6517 in 1868-69, the Governor in Council directs that the assignment for 1870-71 be reduced from Rupees 8985 to Rupees 7000, and that every precaution be taken that that amount is not exceeded. The aggregate of the estimate will be reduced from Rupees 14,865 to Rupees 12,880.
