Proceedings of the Madras Government, Financial Department, 29th October 1869.

No. 76. Read the following letter from the Government Astronomer, to the Acting Secretary to Government, Fort Saint George, dated Madras Observatory, 5th October 1869.

Herewith I have the honour to submit my Budget Estimate for the official year 1870-71, prepared in triplicate and framed with the utmost regard to economy that the efficient working of the Observatory will admit of.

2. The salary, outfit, and passage money of a European Assistant I have not included, though under consideration of the Home Government since last March, and I venture to hope likely to receive early sanction. I much regret that by an oversight, chiefly owing to family sickness and heavy pressure of work, I have exceeded the prescribed time for submitting the usual estimates.

No. 77. ORDER THEREON, 29th October 1869, No. 514.

The Budget Estimate submitted by the Government Astronomer, with the letter above recorded, shows that an assignment of Rupees 21,718 is necessary for the Government Observatory for 1870-71. The assignment, it is observed, is the same as that made for the current year, but the Government do not consider it necessary that more than Rupees 3000 should be spent, in 1870-71, for the publication of Astronomical, Meteorological, and Magnetical observations, and direct that the expenditure be kept within that amount.

2. The estimate will be accordingly reduced from Rupees 21,718 to Rupees 18,718.

Actg. Chief Secretary to Government

Fort St George.

Sir,

Herewith I have the honor to submit my Budget Estimate for the official year 1870-71 prepared in triplicate and framed with the utmost regard to economy that the efficient working of the Observatory will admit of.—

The salary outfit and passage money of a European Assistant I have not excluded, though under consideration of the Home Government since last March, and I venture to hope likely to receive early sanction.—

I much regret that by an oversight, chiefly owing to family sickness and heavy pressure of work, I have exceeded the prescribed time for submitting the usual Estimates.

I have the honor to be

Sir

Your most obedient Servant

N R Pogson

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the Government Astronomer.

(Received 5th October 1869.)

Order thereon No 574 - 29 Oct / 69.

The Budget Estimate submitted by the Government Astronomer, with the letter above recorded, shows that an assignment of Rs 21,718 is necessary for the Government Observatory for 1870-71.

The assignment, it is observed, is the same as that made for the current year
