Proceedings of the Madras Government, Financial Department,
1st November 1869.

Read Budget Estimate of the Department of the Revenue Secretariat.

(Here enter 16th October 1869.)

No. 3. ORDER THEREON, 1st November 1869, No. 518.

The Budget Estimate of the Department of the Revenue Secretariat for 1870-71 amounts to Rupees 82,500, and is Rupees 500 less than the assignment* made in the current year's Budget. It exceeds, however, the actuals for 1868-69 by Rupees 419. This excess is, it is observed, owing to adequate provision having been made under the heads of "Telegraph Charges" and "Contingencies" to meet the expenditure which is likely to be incurred under those heads in 1870-71. The expenditure under "Contingencies" for the first half of 1869-70 amounts to no less than Rupees 448, against Rupees 176 in 1868-69. The assignment for the purpose in 1870-71 is Rupees 400, which, with economy, will probably be found to be sufficient.

* Rupees 83,000.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the Secretary to Govt: Revenue Depa
dated 16th Octr: 1869. No. 1

Order thereon October 1869. No.

The Budget Esti-
mate of the Department
of the Revenue Secretariat
for 1870-71, amounts to Rs
83,000 and corresponds with
the assignment made in
the Current year's Budget.
It exceeds, however, the ac-
tuals of 1868-69 by Rs 919.
This excep, it is observed,
is owing to a larger provi-
sion having been made
under the heads of Tele-
graph

"Telegraph charges" and "Contingencies". The expenditure under these heads, was in 1867-68 Rs 534, in 1868-69 Rs 681, and according to the actuals for the first half of 1869-70, it is likely to be Rs 1,339--. As the allotment for 1870-71 does not exceed the latter amount by more than Rs 261, the Governor in Council passes the Estimate for Rs 83,000:-

Rs 1,600.

I think some further explanation regarding the contingencies charged in 1868/69 may come & only Rs 176 Rs 600 can hardly be agreed.
