Proceedings of the Madras Government, Financial Department, 2nd November 1869.

No. 13. Read the following letter from the Officiating Accountant-General, to the Acting Secretary to Government, Fort Saint George, dated Fort Saint George, 8th October 1869, No. 1167.

Examiner of Claims' Department.]

I have the honour, with reference to Proceedings of Government in the Financial Department, dated the 27th ultimo, No. 445, respectfully to point out that the sanction therein given to a permanent establishment for keeping the Mint Machinery clean and in order, is opposed to Observation 2, contained in Government of India Order, dated 14th September 1869, No. 3155, Financial Department, and that pending the confirmation of the Government of India to the proposed establishment, the charge on account of the six lascars, referred to in paragraph 2 of the Proceedings under reference, alone can be admitted.

No. 14. ORDER THEREON, 2nd November 1869, No. 523.

The Officiating Accountant-General will be informed that the observations of the Government of India in paragraph 2 of their Financial Resolution, No. 3155, dated the 14th September last, cannot be regarded as strictly applicable to a department situated as the Mint is at present.

2. When the Orders of this Government, dated the 21st July last, No. 203, were passed, it was not supposed that accommodation would not be available at the Public Works Stores Department for the machinery which was to be transferred to that department; but such having proved to be the case, there was no alternative but to allow the machinery to remain at the Mint premises, and to arrange for its proper care and preservation.

3. The pay of the Mechanical fitter (Rupees 20), and the cost (Rupees 20) for contingencies, would, even if the machinery were transferred as originally intended, have to be incurred in the Public Works Department. Under these circumstances the Government resolve to intimate to the Accountant-General that the charge must be admitted and passed by him.

4. The confirmation of the Government of India will be obtained for the charge in due course.
