With reference to the inquiry* contained in your letter, No. 325, dated 15th instant, I have the honour to remark that, as the Officer directly incurring the contingent expenditure of your Court, you should yourself be in a position to know what portion of the grant has already been availed of, and what balance is still left at your disposal. I, therefore, request that you will state what office records you keep to regulate the contingent expenditure of your office, and what precautions you have hitherto taken before incurring a charge to ascertain that your Budget grant has not been exceeded. The Notification in the *Gazette* adverted to by you does not seem to me to bear in any way upon the point at issue.

* Inquires whether any funds will be available for the purchase of office furniture from the sanctioned Budget grant of Rupees 200 to his Court for 1869-70.

2. I may add that the contingent expenditure of your Court up to August last, the latest month for which vouchers have been received in this department, amounts to Rupees 41-8-4, but your office records should certainly afford you information up to the current date.

with a request that stringent instructions may be issued to all Officers under control who may have to incur any expenditure, carefully to note before incurring any charge that there is the necessary Budget provision for it, and that a record of the grant and expenditure up to date be kept by each Officer.
