Proceedings of the Madras Government, Financial Department, 6th November 1869.

No. 28. Read the following letter from the Officiating Controller of the Money Order Department, Madras, to the Accountant-General, dated Fort Saint George, 21st October 1869, No. 211.

I have the honour to forward, herewith, for submission to Government, the Budget Estimate of the Department under my control, for the official year 1870-71.

No. 29. ORDER THEREON, 6th November 1869, No. 536.

The Budget Estimate of the Controller of the Money Order Department, for 1870-71, shows that the receipts from commission on issues and second commission fees are likely to amount to Rupees 10,462-6-0, against Rupees 9078-6-0, the actuals for 1868-69. The expenditure is estimated at Rupees 11,958, against Rupees 10,348, the actuals for 1868-69.

2. According to Returns furnished by the Accountant-General, the actuals under the head of expenditure—

	RS.	A.	P.
For 1867-68 were.....	8,656	6	5
,, 1868-69 do.	10,675	3	5
,, 1869-70 partly estimated...	13,161	8	3
Total...	32,493	2	1
Average Rupees...	10,831.		

3. The estimate for 1870-71 exceeds the actuals for 1868-69 as well as the average for three years. The excess is ascribed to a sum of Rupees 600 having been provided on account of an annual increase of Rupees 50 to the salary of the Controller, and a larger sum having been entered under the head of "Commission to Agents."

4. The Government are of opinion that the allotments for commission to agents and for contingencies may be reduced from Rupees 1800 and Rupees 200, to Rupees 1700 and Rupees 150, respectively; and the estimated expenditure for 1870-71 be fixed at Rupees 11,808.

5. It is observed that no replies have been received from the Government of India to the letters addressed to them by this Government under dates the 4th and 18th December 1868, Nos. 560 and 578, regarding the re-organization and reduction of the cost of the Money Order Department in this Presidency.
