Proceedings of the Madras Government, Financial Department, 8th November 1869.

No. 37. Read the following letter from the Inspector-General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 27th October 1869, No. 386.

In obedience to the Order of Government, Financial Department, No. 478, of date 12th instant, I have the honour to submit a revised Budget Estimate of the Medical Department, for the year 1870-71, reduced by Rupees 32,882, under "Hospitals and Dispensaries," "Vaccine," and "Lunatic Asylum, Madras," based on the actuals of the past five months obtained from the Accountant-General.

2. After the receipt of the estimate, the following were added :—

The pay and travelling allowance, viz., Rupees 22,640 of the Officer who is deputed for the investigation of Cholera, authorized by Government, Public Department, Nos. 1215 and 1319, dated 31st August and 18th September 1869.

The pay of the Hospital Assistant to the charge of the Edeyengoody Dispensary, sanctioned in Proceedings of Government, Public Department, No. 1176, of date 21st August 1869.

3. As it is impracticable to effect any more reductions, I beg that Government may be pleased to accord their sanction, and pass the estimate in its integrity.

No. 38. ORDER THEREON, 8th November 1869, No. 542.

The Inspector-General of the Indian Medical Department submits, with the foregoing letter, a revised Budget Estimate of the Medical Department, for the year 1870-71, reduced by Rupees 32,882 ; but the actual reduction under the following heads, as compared with the entries in paragraph 1 of G. O., dated the 12th ultimo, No. 478, does not exceed Rupees 10,223, viz. :—

	Rs.
Medical Service	4,19,494
Foreign Service	7,876
Hospitals and Dispensaries	3,14,105
Vaccine Establishments	83,878
Lunatic Asylums	64,964
Marine Establishments	2,492
Total...	8,92,809
Amount of entries in G. O. referred to.....	9,03,032
Difference...	10,223

This, it is observed, is owing to the addition of Rupees 22,640 on account of an Officer to be deputed for the investigation of Cholera, and the pay of a Hospital Assistant appointed to take charge of the Dispensary at Edeyengoody.

2. The Governor in Council is precluded, by the Orders of the Government of India regarding the preparation of the Financial Budgets, from admitting the above-mentioned sum of Rupees 22,640 in the Budget Estimate ; but in the letter transmitting the General Budget to the Supreme Government that Government will be requested to enter the necessary provision in the Budget.

3. Deducting the sum of Rupees 22,640, the amount which will be required under the several heads described in paragraph 1 of this Order will be reduced to Rupees 8,70,169 ; but, as it will still considerably exceed the actuals* for previous years, and the estimate† for the current year by Rupees 6,619, the Government resolve to request the Accountant-General to make such reductions as he may find practicable with reference to the actual expenditure for *six* months of the current year, so as to keep the assignment for 1870-71 at about the same amount as that allotted‡ for the current year.

	Rs.
* 1867-68	6,48,459
1868-69	7,07,896
