Read Budget Estimate of the Accountant-General for 1870-71.

No. 45. ORDER THEREON, 13th November 1869, No. 548.

The Budget Estimate of the Civil Office of Account and Audit for 1870-71 amounts to Rupees 2,34,731, viz.:—

	RS.
Office of Audit and Account	2,27,922
Stationery and Printing	3,719
Law and Justice	3,090
Total...	2,34,731

Under the first head there is an increase, as compared with the estimate for 1869-70, of Rupees 7915, viz., on account of—

	RS.
Examiner of Claims	450
Clerks from Rupees 50 to 300	6,163
Office postage	1,302
	7,915

And a decrease of Rupees 13,353 under the following heads :—

	RS.
Assistant Accountant-General	550
Assistant, Financial Department...	7,200
Clerks above Rupees 300	4,680
Do. below ,, 50	700
Telegraph charges	26
Contingent ,, ...	197
Total...	13,353

The net decrease is Rupees 5438.

3. The estimate for "Travelling allowances" is Rupees 1000, against Rupees 72 in 1868-69, and Rupees 179-4-10 in 1867-68. The Government are of opinion that the assignment may be reduced to Rupees 250, and direct that the necessary reduction be made in the estimate.

4. Under "Stationery and Printing" the estimate for 1870-71 for contingencies, purchase of types, &c., and extra compositors, amounts to Rupees 1247, while the actuals for these purposes, in 1868-69, was not more than Rupees 562. An assignment of Rupees 700 seems sufficient for the ensuing year.

5. It is observed that it is the intention of the Government of India that the printing work of the Accountant-General's Office should be undertaken in the Government Press, but pending their final decision in the matter the provision made in the estimate will be allowed to stand.

Letter from Secy. to Govt. of India, 7th Oct. 1869, No. 3950*d*.

6. The assignment under "Law and Justice" calls for no remark.
