No. 46. From the Secretary to the Commissioner for the Uncovenanted Civil Service Examinations, to the Chief Secretary to Government, Fort Saint George, dated Madras, 13th October 1869, No. 479.

By desire of the Commissioner for the Uncovenanted Civil Service Examinations I have the honour to submit the Budget Estimate of expenditure on account of the examinations of candidates for employment in the Uncovenanted Civil Service for the year 1870-71.

No. 509.

No. 47. MEMORANDUM.

In reply to Mr. Under Secretary Stokes' Memorandum, No. 452, of the 29th ultimo, the undersigned is directed to state that no *monthly outlay* in stipends is made to Examiners. During 1868-69 the sum of Rupees 9500 was disbursed, under the sanction conveyed in G. O., 15th April 1868, on account of thirteen Examiners appointed in connexion with the General Test Examination held in February 1868, and under G. O., 4th March 1869, Rupees 13,814 was disbursed on account of fifteen Examiners appointed in connexion with the Special Test Examination held in August 1868.

2. Also Rupees 11,650 was disbursed by G. O., 4th May, of the current year, as stipends to the Examiners in the General Test Examination of February last.

3. The outlay on account of the stipends of Examiners depends upon the number of candidates coming up for examination, and is always less than the receipts from fees.

To the Under Secretary to Government, Fort Saint George.

No. 48. ORDER THEREON, 13th November 1869, No. 549.

The Budget Estimates connected with the Uncovenanted Civil Service Examinations show that the probable receipts from fees for the General Test and Special Test Examinations during 1870-71 will amount to Rupees 43,000, against Rupees 40,754 in 1868-69. But the fees realized for the General Test Examination in the latter year having amounted to Rupees 23,958, it may be fairly assumed that the fees in 1870-71 will not be less than Rupees 24,000. Adopting this figure the probable receipts in 1870-71 is likely to be Rupees 44,000.

2. The cost of establishment and the payment of stipends for Examiners in 1870-71 is estimated at Rupees 37,588, against the assignment of Rupees 34,580 for the current year.

3. The actual expenditure in the years 1867-68 and 1868-69 was Rupees 42,169 and Rupees 43,680, respectively. The actuals for the first half of the current year amount to Rupees 17,006-3-5, but as the payments to the Examiners on acconnt of the Special Test Examination are not likely to be less than they were in 1868-69, the expenditure for the second half of the year will probably amount to Rupees 19,170. Taking the expenditure for 1869-70 at Rupees 36,176, the estimate* for 1870-71 will not exceed it by more than Rupees 1422, and this excess being necessary to meet the increase of expenditure on account of stipends for Examiners His Excellency the Governor in Council resolves to pass the estimate for Rupees 37,588.

Rupees 13,814.

* Rupees 37,588.

Proceedings of the Madras Government, Financial Department, 13th November 1869.

4. The Commissioner for the Uncovenanted Civil Service Examinations will be informed that the expenditure under the head of "Contingencies" should be strictly watched and kept within the sum sanctioned for the purpose.
