Proceedings of the Madras Government, Financial Department, 13th December 1869.

No. 43. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George, dated Madras, 7th December 1869, No. 2827.

Referring to G. O., No. 584, of the 2nd instant, I have the honour to point out that, in my opinion, the reduction of travelling allowance to Inspecting Officers noted in paragraph 4 is certain to cause a deficit under that head of the Educational Budget, and that some mistake must have been made in regard to the expenditure on Translators for the Educational Department.

2. In respect of the estimated travelling allowance, I beg to remark that, at the close of 1868-69, only twenty-five Inspecting Schoolmasters were employed, and that all of them were not engaged throughout that year; in 1870-71 there will be at least the present number (30) of such officers, working during the whole year.

3. Moreover, Mr. Garthwaite, having been appointed a full Inspector, I have completed the number of nineteen ordinary Deputy Inspectors. For this reason, therefore, in addition to the somewhat larger allowances which Mr. Garthwaite will draw as an Inspector than he did as a Deputy, there will necessarily be an increased charge for the new Deputy Inspector.

4. I am unable to say how the mistake about the expenditure on Translators has occurred; but instead of Rupees 70 only having been spent in a year, the salary of the single Translator at present employed is Rupees 70 per mensem, and the charge is not likely to decrease. If the item is to be thrown out, I beg to be informed as to the mode in which I am to meet the charge of correcting proof-sheets, revising books for the Department, &c.

No. 44. ORDER THEREON, 13th December 1869, No. 608.

Under the explanation afforded by the Director of Public Instruction in the foregoing letter, the Governor in Council sanctions the inclusion, in the Budget Estimate for 1870-71, of the salary of a Translator at Rupees 70 per mensem.

2. Under the circumstances stated by the Director the grant for travelling allowance of Inspectors of Schools will be entered in the estimate at Rupees 28,000.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter

From the Director of Public Instruction, Nilgiris, 7th Dec/69 No. 2827.

Order thereon No 608 — 13th Dec/69.

Under the explanation afforded by the Director of Public Instruction in the foregoing letter, the Governor in Council sanctions the inclusion in the Budget Estimate for 1870-71, of the salary of a Translator at Rs. 70 per mensem, but he is not prepared in the present state of the finances to authorize any increase being made in the item

I don't think this will do. The inspectors cannot do their work without translating. A. J. F.
