Read the following papers:—

No. 47. From the Commissioner for the Examination and Settlement of Claims against His Highness Prince Azeem Jah Bahadoor, to the Chief Secretary to Government, Fort Saint George, dated Madras, 3rd December 1869, No. 6.

I have the honour to request that you will submit, for the favourable consideration of the Right Honourable the Governor in Council, a modification I propose making in the establishment of my Office, involving a reduction of Rupees 110 per mensem.

2. Parthasarathy Ayyangar, the Manager, has, from this day, resigned his appointment, having obtained more permanent employment under the Collector and Magistrate of North Arcot. It appears to me needless to appoint another Manager on like pay, as the business of the office which has devolved hitherto upon the Manager can be carried on hereafter by the 1st and 2nd clerks, who have been in the habit of assisting the Manager, and whom I have reason to believe to be steady, trustworthy men. In acknowledgment of the additional responsibility and work thus thrown upon them, I propose, as will be observed, to increase their present salaries from Rupees 40 to Rupees 70, and from Rupees 40 to Rupees 50, respectively.

3. Should the business of the office hereafter require it, I would at once apply to Government for further aid. That does not at present seem probable.

4. I have the honour to request that the proposed arrangement may be sanctioned from the 4th instant.

No. 48. From the Commissioner for the Examination and Settlement of Claims against His Highness Prince Azeem Jah Bahadoor, to the Chief Secretary to Government, Fort Saint George, dated Madras, 3rd December 1869, No. 7.

I have the honour to submit, for the consideration of the Right Honourable the Governor in Council, and if approved of, for transmission to the Accountant-General, a revised Budget Estimate of the expenses of this Commission during the current official year.

2. It has been prepared in accordance with instructions received from the Accountant-General, at whose request it is submitted "through the Chief Secretary to the local Government."

3. The calculations of the cost of the establishment are based upon the supposition that the reduction of establishment proposed in my letter, No. 6 of this date, will meet with the approval of Government. Only the expenses of March next are entered under 1870-71, as I shall not be in a position to prepare an estimate of the further probable expenses of this Commission beyond the current official year, until I am favoured with the orders of Government upon my report.
