FROM

Acting Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

SIR,

I am instructed by the Governor in Council to submit, for the sanction of the Government of India, the Budget Estimates relating to the Jails, Police, and Education, Science and Art, for the year 1870-71, together with the explanatory Memoranda furnished by the Accountant-General.

2. The Jail Estimate amounts to Rupees 9,46,930, or Rupees 1740 in excess of the Budget grant (Rupees 9,45,190) for 1869-70; but excluding the "advances for the purchase of raw materials and manufactures" from the grant, as well as from the estimate, there is a decrease of Rupees 39,442* as shown in the margin. The advances for the purchase of raw materials, &c., have been increased by Rupees 40,372,† with a view to Jail manufactures being conducted on a more extended scale. The accompanying Proceedings‡ of this Government show the reductions that have been made in the estimate submitted by the Inspector-General of Jails, and that as suggested by the Government of India in their Financial Resolution, dated the 31st March last, No. 1998, the rate for rations has been limited to Rupees 45 per prisoner. The estimate does not admit of further reduction.

3. The Police Budget Estimate for 1870-71 was fixed by the Madras Government in their Proceedings, dated the 16th October last, No. 489, copy of which is enclosed, at Rupees 39,00,000, and the details of the estimates now submitted have been prepared in

accordance therewith; but with reference to the Honourable Mr. Ellis' letter, dated the 17th instant, No. 2005, and its enclosure from the Inspector-General of Police, the Accountant-General has been instructed to reduce the estimate to Rupees 36,50,000, and to make the reductions under the heads* specified in paragraph 8 of the Inspector-General's letter.

4. The estimate for the Educational Department amounts to Rupees 9,82,470 against the reduced grant for 1869-70 of Rupees 8,26,830. It will be seen from the details that the charge for Government Colleges has been increased by Rupees 22,480. This is to be ascribed mainly to an increase under the head of "Medical College" of Rupees 23,686, the grant (Rupees 32,170) for 1869-70 having been found to be insufficient.

	8,26,830	4,31,286	8,92,080	9,82,470		

The increase of Rupees 11,998 under "Normal Schools" is accounted for by the inclusion of Rupees 12,000 for the Female Normal School which received the sanction of the Government of India under date the 30th April 1868, No. 251. The provision for grants-in-aid exceeds the grant for 1869-70 by Rupees 1,21,210, the actuals for 1868-69 by Rupees 66,666, and the regular estimate for 1869-70 by not more than Rupees 21,210. The provision for 1870-71 is indispensably necessary to meet the increased grants which will have to be made to private Educational Establishments under the Grant-in-aid Rules in force. The increase of Rupees 6000 and Rupees 2000 under "Scholarships and Prizes," and "Government Book Depôt," is sufficiently explained by the Accountant-General. With reference to my letter, dated the 16th October last, No. 331, I am to request that the Government of India will be pleased to sanction the charge of Rupees 2520 for the graduate Scholarships in the Madras University, and direct its inclusion in the estimate for 1870-71.

5. Central and other Museums.—The charge for 1870-71 is estimated at Rupees 21,710. It exceeds the current year's grant by Rupees 645, but it is less than the regular estimate by Rupees 160. The excess of Rupees 645 has been sanctioned for the purchase of certain new furniture.

6. Madras Observatory—*Rupees* 15,720.—This provision is less than the grant (Rupees 15,725) for the current year by Rupees 5. The remarks of the Madras Government on the estimate are embodied in their Proceedings, dated 29th October 1869, No. 514, and 11th December 1869, No. 603, copies of which accompany this letter.

7. Meteorological Department—*Rupees* 15,920.—The grant for the current year is Rupees 19,280, but as it appeared to this Government desirable, in the present state of the finances, to limit the expenditure in 1870-71 to the stations which have been already established, the charge for 1870-71 has been reduced to Rupees 15,920, which is Rupees 3360 less than the gran for 1869-70.

Procs. of Madras Govt., dated 11th Dec. 1869, No. 604.

8. Government Botanical Garden and Quinologist's Department—*Rupees* 63,230.—The estimates for this charge have been carefully reviewed in the Proceedings of Government in the Revenue Department cited in the margin. The charge for 1870-71 is Rupees 17,570 less than
