Proceedings of the Madras Government, Pension Department,

2nd March 1869.

Read the following letter from the Collector of the Godavery District, to the Examiner of Claims, Madras ; dated Cocanada, 22nd October 1868, No. 279.

I have the honor to submit, herewith, an application for Superannuation Pension on behalf of Ballapragada Annamraz, late Police Peshkar of the Pittapur Division. His services were dispensed with on the reduction of establishments in the amalgamation of the Taluqs in the year 1862. He has hitherto been seeking re-employment and being unsuccessful has lately applied for pension. He is quite worn out and unfit for duty. His service, as detailed in the application, is 37 years, 11 months, and 20 days. He appears to have entered the Government service when he was 14 years' old, or 8 years before he was 22 years of age. This time of service in ineligible grades being deducted from his total service leaves 29 years, 11 months, and 20 days eligible for pension. Only 10 days are deficient to complete 30 years of service, entitling him to the Superannuation Pension. I think that this very slight deficiency may be overlooked, particularly as his age of entry into the service seems to have been entered at a guess.

Register of an application for Superannuation Pension under Pension Rules, published under date 3rd May 1864, from the Establishment of the Collector of the Godavery District.

The attention of the Government is respectfully solicited to the remarks given by the Collector in the Register with reference to the cause of degradation in the applicant's service on four occasions.

FORT SAINT GEORGE,
3rd February 1869.

(Signed) W. DONALD,
Examiner of Claims.

To the Chief Secretary to Government, Fort Saint George.

ORDER THEREON, 2nd March 1869, No. 92.

The Government observe from the foregoing papers that Ballapragada Annamraz, late Peshkar of the Pittapur Division of the District of Godavery, was thrown out of employment on the reduction of establishment in the year 1862 ; and that the delay in the submission of his application for pension was owing to his expectation of re-employment which, however, he failed to obtain.

2. B. Annamraz's services, as verified by the Audit Department, extend over a period of 35 years and 17 days ; and under the Pension Rules of 1831, and the Despatch from the Secretary of State for India, dated the 24th September 1862, he is eligible, without the production of a medical certificate, to a pension of Rupees 8-8-0 per mensem, a sum equal to a moiety of his average salary during the five years preceding his removal from the Public Service.

3. It appears from the Register of application that B. Annamraz was degraded on four occasions. On three occasions for irregularity in the discharge of business ; inefficiency and neglect of duty ; and on the fourth occasion for having " unlawfully acquired some Zirayati land." His Excellency the Governor resolves, therefore, to sanction, subject to the confirmation of the Government of India, the grant to B. Annamraz of a reduced pension of Rupees (7) seven per mensem, to have effect from the 22nd October 1868, the date on which his application for pension was submitted.
