To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

CALCUTTA.

The humble Memorial of SYED MAHADEE ALAM *alias* LAULEM, late Sudder Ameen of Tinnevelly, now pensioned and residing at Trichinopoly.

HUMBLY SHOWETH,

That your memorialist begs to submit the following for the favourable consideration of the Government of India.

2. That he served the Madras Government for a period of thirty-one years in the Judicial Department, amongst other situations he held the most responsible posts as District Moonsiff and Mahomedan Law Officer with civil powers.

3. That in consequence of his long service that a pension was granted to him which he is now under enjoyment.

4. That your memorialist possesses no property whatever, that after his demise his wife and children must be left destitute, and to secure the interest of the Madras Government, he solicited its benign patronage for extending his pension to his family after his death, a similar favour done in the case of the family of Abdul Khadar Saib, the late Mooftee Sudder Ameen of Madura, to which the Madras Government refused compliance ; hence the memorialist submitted his petition to your Government.

5. Though it may not be observed as a rule in granting such reversionary pensions, nevertheless it has been done in many cases where meritorious services are concerned.

6. That memorialist's services may be taken into consideration and his prayer granted.

That, as in duty bound, shall ever pray.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to forward the accompanying petition addressed to the Government of India, with its enclosures, by Syed Mahadee Alam.

2. Petitioner retired from the post of Principal Sudder Ameen of Tinnevelly in 1862, on a half-pay pension of Rupees 100 per mensem. He now prays that some provision may be made for his family by the assignment of a pension to them to take effect after his death.

3. The Government of Madras have only to remark that they see no reason to recommend petitioner's case for special treatment, that his request is quite inadmissible under the ordinary rules, and that the case referred to by him, which occurred in 1834, cannot be claimed as a precedent.

4. I am at the same time directed to observe that the course taken by the Government of India with reference to this petition, and which has of late been followed on more than one occasion, of directing the petitioner to submit his petition through the proper channel, instead of transferring the petition to the Madras Government for disposal, is likely, if it becomes generally known, to encourage the presentation of appeals from the decisions of the local Government to the Government of India, and materially to increase the correspondence between the two Governments.

I have the honour to be,
Sir,
Your most obedient servant,
