Proceedings of the Madras Government, Financial Department, 31st March 1870.

No. 45. Read the following letter from the Comptroller-General of Accounts, to all Accountants-General, dated Calcutta, 15th March 1870, Circular No. 100.

At the instance of the Accountant-General, Public Works Department, I have the honour to request that the instructions issued in this Office, Circular No. 39, dated 10th November 1866, relative to the payment of compensation for lands taken up for the Public Works Department by Civil Officers, may be considered as modified to the following extent.

2. From the next official year, Deputy Collectors or other Civil Officers specially employed in taking up lands, will, in respect of the payments to be made for lands taken up, be regarded as Public Works Disbursers, and be placed in funds by means of Credit Orders issued in their favour by the Controllers of Public Works Accounts of the Provinces concerned. They will make payments out of those funds and not out of the Treasury Balances as at present, and render monthly to the Controller an account of their disbursements for adjustment in the books of the Public Works Department. This arrangement must not be permitted to occasion any delay in the payment of admitted claims.
