No. 304. Read the following papers :—

From the Quarter Master General of the Army, Head Quarters, Ootacamund, 21st May 1862, *No.* $\frac{27}{4088}$; *to the Secretary to Government, Military Department.*

No. 1748, *of* 13*th May* 1862.

I have the honor, by order of His Excellency the Commander-in-Chief, to acknowledge the receipt of the order of Government as per margin.

2. I have also received through the Commissary General, a copy of the Order of Government, No. 185, of the 8th May 1862, in the Political Department.

3. In reference to this latter order and to paragraph 12 of Order No. 757, of the same date, in the Judicial Department, I have the honor, by order of His Excellency the Commander-in-Chief, to state, that there is now a surplus of Elephants to the requirements of the Establishment, and that there is therefore no objection to the Elephants as per margin, being made over to the several authorities named.

	Number of Elephants.
Ganjam Police.....	7
Governor's Agent, Ganjam.....	4
Governor's Agent, Vizagapatam...	4

4. The animals are now borne on the Returns of the Public Cattle Establishment, and whether they shall be made over to the Civil Authorities at a money valuation or without payment, it will be for His Excellency in Council to determine. But I am desired by His Excellency the Commander-in-Chief to urge, that the transfer be permanent, on the principle admitted in paragraph 4 of the Order of Government, No. 2185, of the 14th June 1860, that it is clearly beyond the power of the reduced Military Establishment to supply Elephants and Cattle to Public Departments (not Military) requiring them as a permanent measure.

Referred to the Controller of Military Finance for report on paragraph 4, as to the terms of transfer.

29*th May* 1862.

No. 305. *Report from the Controller of Military Finance, Fort Saint George, 5th June* 1862, *D. Quarter Master General of the Army, No.* $\frac{27}{4088}$; *of the 21st May* 1862.

In returning the document noted in the margin, which has been referred to me for report, I would suggest that the recommendation of His Excellency the Commander-in-Chief, in paragraph 4 be adopted; that the transfer of the Elephants to the Civil Departments noted in the margin, be considered permanent, and that they be made over to them at a fair money valuation, to be determined on by the Commissary General, in communication with the Officers concerned.
