Central Provinces	4,000	4,000

2. Under Government of India Rupees 1,00,000 have been added with reference to the expected investments of the reserve of the Currency Department.

3. The reduction under British Burmah has been made according to the revised estimate furnished by the local Accountant-General.

4. The Deputy Accountant-General, Bengal, reduced his estimate to Rupees 50,000, but by the addition thereto of Rupees 81,945, on account of interest receivable from the Calcutta Port Fund on the balance of the debt due by it to Government, the original estimate has been raised from Rupees 60,377 to 1,31,945.

5. An addition of Rupees 10,000 has been made under Punjab on account of the postponement of the receipt of certain interest due in 1869-70.

6. The original estimate of Bombay was reduced in the revised estimate received from the Accountant-General to the extent of Rupees 76,100, and an addition of Rupes 4,00,000 has been made on account of interest expected to be realized during 1870-71 on the loans granted to the Bombay Port Fund for the purchase of property from the Elphinstone Land and Press Company.

Ordered that a copy of the above Resolution be sent to the several Local Governments and Accountants-General concerned, and the Comptroller-General of Accounts for information.
