Accounts.]

Read—

The Budget Estimates of Expenditure for 25, "Allowances and Assignments under Treaties and Engagements" for 1870-71.

RESOLUTION. — The figures of the local Estimates, and those adopted in the Financial Statement, are as follow :—

	Local Estimates.	Adopted in the Financial Statement.
	RS.	RS.
India	17,04,630	17,04,630
Oudh	8,35,748	8,35,748
Central Provinces	7,49,612	7,29,612
Bengal...	21,41,155	24,87,045
North-Western Provinces	8,24,742	8,00,000
Punjab...	9,33,600	9,58,600
Madras...	45,34,270	29,97,700
Bombay...	71,64,200	71,64,200
Total...	1,88,87,957	1,76,77,535

Central Provinces.—Under Miscellaneous, the local estimate shows Rupees 27,272 in the item of Miscellaneous for 1870-71, against an actual expenditure of only Rupees 5706 in seven months of 1869-70, and sets forth Rupees 20,101 for commutation of pensions, for which purpose a large sum was spent in 1868-69, while the expenditure in seven months of 1869-70 reached Rupees 13,249. On both items Rupees 20,000 have been reduced.

North-Western Provinces.—Rupees 24,742 have been retrenched under Miscellaneous, with reference to the actuals of 1868-69 and the regular estimate of 1869-70.

Madras.—The sum of Rupees 14,86,570 entered in the estimate for 1870-71 on account of the debts of His Highness Prince Azeem Jah has been disallowed, it having been charged in the regular estimate for 1869-70, in the accounts of which year the payment from the general revenues of the provision out of the fifteen lacs unexpended, granted for the debts of His Highness, will be adjusted by a charge against income and a credit to deposits. A further sum of Rupees 50,000 has been abated from the estimate of Rupees 71,000 for the commutation of pensions. This expenditure is optional, and the retrenchment has been made in order to meet a grant of Rupees 50,000 which is much required on this account in the Punjab.

Bengal.—The Local Government's estimate of the probable payments on account of the fixed Nizamut allowance of sixteen lacs Sicca, or Rupees 17,06,667-10-8, per annum is confined to the stipends which have not lapsed. This provision has been raised by the addition of Rupees 3,45,890 to sixteen lacs Siccas, the whole of which amount will be debited against "Allowances and Assignments under Treaties and Engagements" by a per contra credit to "Nizamut Stipend Fund," which latter head will henceforth be charged with the stipends of His Highness the Nawab Nizam of Bengal, his relatives and dependants—but not with the stipends of the branches of the Nizamut family that are not paid out of the annual assignment of sixteen lacs Sicca.

Punjab.—The estimate has been raised by Rupees 25,000 on account of arrears of Umballa pensions which will be paid in 1870-71, per Accountant-General's telegram, dated 30th March 1870.

Proceedings of the Madras Government, Financial Department,
2nd June 1870.

Ordered that a copy of this Resolution be sent to the several Governments and Administrations, the Comptroller-General of Accounts, the several Accountants-General and Deputy Accountants-General in independent charge.

(Signed) R. H. HOLLINGBERY,
Assist. Secy. to the Govt. of India.

My Lord,

Instances having occurred of Civil Servants returning to duty without having procured the usual last pay certificates from this Office, I have to request that, in order to prevent the recurrence of such omissions you will cause a Notification to be published, calling the attention of Civil Servants to the necessity of their obtaining such certificates before leaving this Country.

I have the honor to be,
My Lord,
Your Lordship's most obedient
humble Servant

His Excellency
The Right Honble
The Governor in Council
