Proceedings of the Madras Government, Financial Department, 2nd June 1870.

No. 7. Read the following Proceedings of the Government of India in the Financial Department, dated Simla, 20th May 1870, No. 443 :—

Accounts.]

Despatch from the Secretary of State for India, to the Government of India, dated India Office, London, 24th March 1870, No. 111.

With reference to my Financial letter, (Military Fund,) dated 24th February 1870, No. 60, I have considered in Council whether any necessity exists for continuing to transmit to you periodically particulars of sums paid and received in England on account of the funds specified in the margin, which have been taken over by Government, and I have decided that, from the 1st of next month, these particulars shall not be transmitted, and that all payments shall be considered as charges upon the revenues of India, and excluded from the account-current. I have further decided that all transactions on your side, connected with the following funds, shall also be considered as final charges, viz. :—

Bengal Medical Fund.
Madras Medical Fund, (to be transferred to this Office on 1st April 1870.)
Bombay Medical Fund.
Bengal Military Orphan Society.
Madras Civil Fund of 1800, 1814, and 1818.

Indian Navy Fund,
Lord Clive's Fund.

2. The only funds, therefore, of which the transactions will, in future, pass through the account-current will be the Civil Service Annuity Funds, and with regard to these I have to request that, instead of the present practice of crediting quarterly the amount of annuities payable in England, and afterwards adjusting any differences which may be found in comparison with the lists sent from this office, you will defer making any entry until you receive such lists, and credit the account-current with the total amount contained in them, thereby rendering subsequent adjustments unnecessary.

3. You will make the necessary communications to the Governments of Madras and Bombay.

Ordered that a copy of the foregoing Despatch be sent to the Military Department, the Comptroller-General of Accounts, and to the Governments of Bengal, Madras, and Bombay, for information and guidance.

(By order, &c.,)
