Proceedings of the Madras Government, Financial Department, 14th July 1870.

No. 13. Read the following Circular letter from the Comptroller-General of Accounts, to all Accountants-General, dated Calcutta, 17th June 1870, No. 105 :—

It appears from local Circulars received in this office that the same course is not uniformly adopted with regard to the exhibition of receipts for service of processes pending the introduction of the Court Fees Act, (VII. of 1870).

2. Hereafter all such receipts, whether for Service of Revenue or Judicial Processes, will necessarily appear under " Court Fees Stamps" ; it is accordingly useless to continue to maintain the distinction of Revenue and Judicial, and they may all be shown together under a minor heading, " Court Fees realized in cash," subordinate to Law and Justice.

3. It will be a matter for consideration hereafter, whether the receipts shall not be eventually transferred to " Court Fees Stamps." A note should be made in your monthly abstract of the date from which the new Act is introduced into your Presidency. / Province.
