Leave and Allowances.]

RESOLUTION.—It has been brought to the notice of the Governor-General in Council that Rule XXXI.* of the new Leave Rules for the Covenanted Civil Service has been held to entitle an officer to the acting allowances therein prescribed until he again holds a *substantive* appointment carrying equal pay to that of the substantive appointment which he relinquished when he proceeded on furlough. Consequently, under the action of that rule, officers have been allowed to draw aggregate salaries exceeding those which they so relinquished.

* "Any officer now absent on leave, who has no appointment, may, on his return and until he again holds an "appointment carrying equal pay to that of the substantive appointment which he last held, draw the "subsistence allowance of his rank, together with 75 per "cent. of the pay of any appointment in which he shall "officiate. Provided that the total salary so drawn by "him shall not exceed the pay of the appointment in "which he is officiating. This rule shall apply to any "officer who may have already returned from furlough."

2. His Excellency in Council is pleased to rule that Rule XXXI. shall in no case be applied so as to raise the aggregate allowances of any officer who may return from furlough after this date above the aggregate allowances which he relinquished when he proceeded on furlough.

Ordered that the foregoing Resolution be published in the *Gazette of India*, and communicated to the other departments of the Government of India, the local Governments, the Comptroller-General of Accounts, the Director-General of the Post Office of India, the several Accountants-General, and the Deputy Accountants-General in independent charge.
