Proceedings of the Madras Government, Financial Department,
12th August 1870.

No. 23. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Ootacamund, dated Fort Saint George, 3rd August 1870, No. 956:—

I have the honour, with reference to Proceedings of Government, No. 284, dated 28th June 1870, to state that, as the pension of two shillings and six pence a day, which has been granted to Mr. Mechanical Engineer J. Smith, is due to him as a warrant officer of the Bombay Marine, the charge is a Military one. The papers necessary to enable Mr. Smith to draw that allowance in England should apparently be obtained from the Military Department, Bombay, as the Civil Department cannot furnish papers for Military pensions, and Mr. Smith's services as a warrant officer were under that Government.

2. The report upon his claim to retiring allowance, from the Civil Department of this Presidency, was submitted upon 26th ultimo.

No. 24. ORDER THEREON, 12th August 1870, No. 343.

Resolved that a copy of the Proceedings of Government in the Public Works Department, dated the 27th April 1867, No. 1254, be furnished to the Accountant-General, and that he be requested, with reference to paragraph 2 of the letter from the Accountant-General, Bombay, embodied therein, to furnish Mr. Smith, with as little loss of time as possible, with the papers necessary to enable him to draw his pension in England.
