Proceedings of the Madras Government, Financial Department, 17th August 1870.

No. 25. Read the following letter from the Assistant Secretary to the Government of India, Financial Department, to all Local Governments and Administrations, and to the Comptroller-General of Accounts, the several Accountants-General, and the Deputy Accountants-General in independent charge, dated Simla, 30th July 1870, Circular No. 2231 :—

In continuation of this Office Circular, No. 4105, dated 21st October 1869, I am directed to state that His Excellency the Governor-General in Council considers it very desirable that the Budget Estimates submitted by the several Local Governments and Accountants-General should include, for the purpose of comparison, the actuals for eight months of the year immediately preceding that to which the estimates relate ; thus, in the Budget Estimates for 1871-72, the receipts and charges up to the end of November 1870 should be shown in the column of actuals for 1870-71.

2. As, however, the accounts of November are not likely to be ready till the end of December, and the Christmas holidays will intervene, the date for submission of the Budget Estimates is postponed to 7th January, on which day of every year each Accountant-General must positively despatch his Budget Estimate to this Department and to the Comptroller-General of Accounts.
