Proceedings of the Madras Government, Financial Department, 23*rd August* 1870.

No. 34. Read the following letter from the Secretary to the Civil Service Annuity Fund, to the Chief Secretary to Government, Fort Saint George, dated Madras, 13th August 1870, No. 301 :—

With reference to paragraph 2 of a Despatch from the Secretary of State, dated 24th March 1870, No. 111, communicated with the Proceedings of Government, dated 2nd June last, No. 247, I am desired by the Managers of the Civil Service Annuity Fund to state that they are ready to adopt the mode therein suggested for adjusting in India the future payment of annuities in England.

2. It is very desirable, however, that the accounts of annuities paid in England should be forwarded to the Managers quarterly instead of half-yearly, and that the accounts for annuities falling due on the 1st February should be forwarded at latest on the 31st March.

3. If this is not done the Managers fear they will not be able to close the account of the official year so early as they do now.

4. The Managers do not think that this change will cause much extra labour at Home, whilst it will save much inconvenience here, and they will be obliged if you will represent its desirability to the Home Government.

No. 35. ORDER THEREON, 23rd August 1870, No. 356.

Ordered that a copy of the foregoing letter be forwarded to the Secretary of State for India.
