My dear Mr. Minchin

The collections under Act VI of 1863 have never been treated as a local fund receipt, but are credited to "Deposits" in the Govern.t Savings Bank and are disbursed under the authority of the Managers or Trustees of the School on cheques countersigned by the Dy. Inspectors. vide G.O in the Educational Dep.t dat. 25th May 1867. No. 171. If such collections are now to be treated as a local fund the School funds

lose the benefit of the interest
drawn by them on their deposits.

The contribution by Govt. to
the Municipal Police does tally
with the amount shewn in the
Imperial Budget sent up by me -
but I understand that the amount
has been struck out of the latter
by Govt. with reference to the
Municipal Act now passing thro'
Council - & is not therefore also
to be struck out of the Local Fund
Budget. In G.O of the 27th ult.
I was directed to close the Local
F. Budget without waiting for

the Budget Estimates of the Municipalities. and I was obliged
therefore to estimate the charges
on the best data I had by me -
namely the actual charges of the past
and current years. If the wanting
Budget Estimates have now been
received the entry in my Estimate
may perhaps need alteration.

I do not see that con-
sultation with the Board and
Director would help us much
as my Estimate was based on
the latest information which

I could obtain from them.

My dear Mr Hammick.

I presume you refer to the remarks which Mr Arbuthnot has made on the Local Fund Budget. He can not have made any alterations in it as yet. I have been already into Calicut. All that will be necessary and I believe sufficient has been done in order that Mr Brierley is to

The receipts & charges of
the schools maintained

it would be well if the

to comprise all the Local
